Mr. Farwell:

I am in receipt of your FOIA request regarding I.C No. X95604, Mattie Arnold, Employee-Plaintiff V. National Caucus & Center on Black Aged, Inc. I understand that there is a hearing scheduled for tomorrow, August 15 and I wanted to provide you an advance copy of the documents I have been able to collect so far.

In your request, you asked for two items:

1. Documentation/material which establishes EPA's ownership and operation/maintenance of the building within which Ms. Arnold alleges to have been injured and
2. Documentation/material which details the financial relationship between the NCBA and EPA.

At this time I am able to provide item #2 above, which is attached to this email. The land on which the EPA RTP,NC campus is built was donated to EPA years ago. We do not know of any document that establishes ownership of the building or that documents our responsibility to maintain the buildings. We have submitted a request to the General Services Administration requesting any documentation they may have, but, at this time, we believe no such documents are likely to be available.

A formal response to your FOIA will be forthcoming shortly. I am providing this advance response and attached document so as to assist you with tomorrow's proceeding. Please do not hesitate to contact me if you have any further questions. My contact information appears below.
